

THE DAY OF HIS WRATH HAS COME AND WHO SHALL BE ABLE TO STAND

By Messenger Elijah Muhammad

THE DAY OF HIS WRATH HAS COME. Who shall be able to stand? The Day that these prophets such as Joel, Amos, Hosea and Micah prophesied of. The prophecies of these prophets correspond with one another. Some of the Bible scholars call these prophets, minor prophets, but their prophecies are by no means, minor; their prophecies are great prophecies! We are now living in the end of these prophecies.

These prophecies are being fulfilled upon the world of the white race. If we, the Black People pay good attention to what these prophets are prophesying to come upon the world, you will find these prophecies being fulfilled in this, our day.

These prophets prophesy of the calamities that we see going on here in America. This makes it impossible for us to be deceived because everything is happening before our eyes. Therefore, it is absolutely impossible for Satan to deceive you. If you do not want to be deceived.

The truth is here, clear as the day with the sun shining in a clear sky!

The day of His wrath has come. Who shall be able to stand?

This is a terrible time with nations threatening war against each other, for the anger against each other is aimed to destroy each other. In the spirit of disagreement, they cannot come to any agreement. The world is filled with madness and anger, which is hastening them to their own destruction. Fearing the enemy, the righteous call on their God to save the righteous from the great destruction of the wicked.

The wicked invite the righteous to take part in their destruction with them.

How can the righteous be so foolish as to take part in such destruction? They cannot be the righteous, if they take part with the wicked, for by taking part with the wicked, you become one of the wicked.

The righteous must stay apart from such destruction which is coming upon the wicked. But, where the righteous will not, the wicked understand not!

We, cannot be the righteous, if we take part with the wicked; this is why the prophecies of the Bible and Holy Qur'an, warn the righteous not to take part with the wicked!

The day of His wrath has come. Who shall be able to stand?

Today, the righteous are with the wicked because of the lack of knowledge! The ex-slave, the Black man, is

absolutely ignorant to the knowledge of himself, which is a righteous Muslim in the eyes of God!

Whether the work of the Black man has been unrighteousness or not, Allah (God) forgives him for his past unrighteousness, and Allah (God) takes the Black man into His mercy and His saving-power, because the Black man is one of the righteous!

The Black Man, being deprived of the knowledge of himself of being the righteous, Allah (God) defends the Black man, Himself, and Allah (God) Does Not Charge

the Black man with being wicked.

Certainly, the Black man is wicked, but if he will accept Allah (God) and His Messenger, God forgives the Black man for his wickedness because the Black man is not responsible. The Black man was reared by Satan, so how could the Black man be other than wicked, when his foster-father (Satan) is by Nature wicked? How

could the wicked foster-father, Satan, produce a righteous child?

Therefore, it is very important to be separated; and the separation means giving the righteous, who are righteous by nature, a chance to be separated from the destruction of the unrighteous.

The day of His Wrath has come. Who shall be able to stand?

-the Day when the Lord takes up the Power

and Authority of rule His Black Nation, the righteous Nation, under Freedom, Justice and Equality.

Allah (God) does not make any charge against us, of the sins of Satan, as we were

born in sin. (As David says in his Psalms,) The Wickedness of the people today, is such that they have no respect for righteousness, truth, and justice, for the wicked want to claim that all people are the same as themselves.

The wicked have no respect for God and His righteousness.

The Day of His Wrath has come. Who shall be able to stand?

Messenger of Allah to you All.
