

*Editor's Note: The following words (Reprinted in red from Our Saviour Has Arrived Chapter 11) are from Messenger Elijah Muhammad in speaking of what Allah, Who came in the Person of Master Fard Muhammad, said to him:*

**"...Tell them, Elijah, I love them!" "They have been here 400 years, and there is none that has befriended them. I am their God," He said, "and I love them. I will destroy the Nations of the Earth, to save them and then die Myself." And I said, "I'll do the same." I said, "I can't destroy the Nations, but I will die trying to teach them." He (Allah) looked at me and smiled. He said, "Yes," He said, "You will do that." He looked at me some more. He said, "Yes, He will give his life." He said, "Jesus didn't do anything; no more than any believer." Well, that's right. If I say I believe in God and His true Religion, certainly I will give my life for it..."**
