

BABYLON WAS NOT FORGIVEN

AMERICA SEEMS to be the answer to many of the Bible's and the Holy Qur'an's prophecies. In Jeremiah 51:9, it mentions in ancient Babylon's history, that she could have been healed, but was not; for her wickedness was such that she could not be healed or forgiven.

ANCIENT BABYLON charges, according to her history, was that she prosecuted and imprisoned the Jews. She brought them into captivity from Jerusalem after the taking of Jerusalem by

Nebuchadnezzar. According to the ancient history of Babylon, Nebuchadnezzar also was punished for his part in the enslaving of the Jews. Among the Jews whom King Nebuchadnezzar had in captivity was a prophet of Israel named Daniel.

The king **DID NOT LOVE DANIEL** and his prophethood, but he was able to get Allah's prophecy of the destruction of Babylon from Daniel. But remember, the king **STILL HELD DANIEL** as a slave and a prisoner with the other common Jews. Under King Belshazzar, Daniel was still alive and was used for the revealing of God's Aims and

Purposes against Babylon.

AFTER STUDYING the destruction of ancient Babylon, under these two kings, we have a very good graphic picture pointing to a future, cities and country. The words "she could have been healed, but she was not healed " does not say why she was not healed. Was there a possible chance of the Babylonians being forgiven for the evils done to the Jews and the sacking of Jerusalem and the destruction of their temples, and the bringing out of her temples, sacred vessels to use for sport under Belshazzar's reign?

COULD THIS CRIME be forgiven of the Babylonians? And if she was not forgiven while she could have been what does this teach us? Is it not that the history of ancient Babylon's evils not being forgiven a sign that a future people's evil, of an enslavement of God's people (the American so-called Negro), will not be forgiven? Yet, there may be a chance that they be forgiven, as Babylon had, but they will not do that which God desires they do, that He may pardon them and forgive them and prolong their time.

The Revelations of John prophecies that **THEY REPENTED NOT** of their evil deeds and blasphemed the very Name of God (Revelations 16:9). **THEREFORE**, when a man is guilty of a very great evil done against the cause of God and His people, he cannot be forgiven unless he seeks forgiveness himself. We see this in the working of the fall of America today. I say fall, for most surely this is the Divine fall of America: as it was of ancient Babylon for their evils done to the Jews.

AMERICA DOES NOT want to repent of her evil done to her Black slaves even to this late day. I have given her a right chance on the back page of this paper. But she does not want to do justice by her free slaves to get an extension of time from Allah.

SHE SHOULD FREE the slaves, indeed. the ignorant ones want to stay with her just because they are too lazy to accept their own responsibilities. They are too much in love with the un-like of white people who have attracted them to such an extent that they have become a charm, and they want to remain with their white masters even if they are just given food and shelter. This type of people are not wanted by any nation. No nation wants slaves on the basis of taking the responsibility to care for them, when they can care for themselves! The America Black once-slaves for 400 years have now become a free proud slave, and a lover of the children of the once slave-masters.

THE REFUSAL of white America to do something about justice for her so-called free slaves is bringing her into the same type of Judgment that God brought upon ancient Babylon..Jeremiah 51:45 makes mention of a warning to the people of God to flee out of Babylon. Could this be referring to the captive Jews in ancient Babylon?

If God called the ancient Jews His people it was for a sign of a future people-the so-called Negro-that He would choose to call His people.

THE BLACK PEOPLE in America today are called by God Himself, His Chosen People; the Black once-slaves, Chosen for Himself to build a new government based

upon Truth, Freedom, Justice and Equality. This type of government is to live forever and never to be removed from the people, according to Daniel's prophecy of a Kingdom of God set up in the last days, the governing of which will not be left to the people: GOD HIMSELF will be the head and the ruler. In ancient Babylon's history, the enslaved Jews were ordered to flee out of the midst of her, and be delivered, every man his soul from the fierce anger of the Lord (Jeremiah 51:45).

THE LAST BOOK of the Bible, the Revelations of John 18:4, makes this a little clearer. Both prophecies are similar but the one in Revelations is warning a people to flee out of Babylon that they "be not partakers of the sins" of Babylon's people and receive not of her plagues. This shows that God is going to plague Babylon, and the His people should not suffer the Divine plagues sent upon Babylon. they are ordered to flee out of her (Jeremiah 51:45). This is a prophecy of a future Babylon, similar to the ancient Babylon under the rule of Nebuchadnezzar, and Belshazzar. The history of these two ancient kings of ancient Babylon teaches us that they held slaves who were trying to serve the right God.

AS IT IS WRITTEN of Allah , in the person of Master Fard Muhammad to whom Praises are de forever, that He would be very angry on His coming to the deliverance of the Lost and Found members of His people (Black people) from a 400 year - old enemy who has never shown them anything but evil, murder and death. And as I know to be the truth, Allah desires nothing more than Freedom, Justice, and Equality for we,the once Lost and now Found, Black members of our Nation, the Original Black Nation of the Earth. America now is at war with God through God's people (the so-called Negro).

The confusion, and the plagues of the country with disasters one after another are DIVINE RETALIATIONS against white America's evil doing and intentions ; against her evil deceitful way of deceiving them by showing false friendship and even opening her homes to integrate the people of God with them, who by nature are different or foreign to them. The white man has poisoned out people's (Black) minds so thoroughly that our people fight against their own God and salvation for favoritism of their open enemies.

THE CALL OF ISLAM, the True Religion of God, to we the once-slaves of America is the same call, for us to flee out of the America way of life and doings of evil to save our lives from Divine destruction of a non-repentive enemy (Jeremiah 51:45).

DIVINE PLAGUES and foreign wars are now destroying the American standards of life and money for her deceitful filthy temptations, now being played on her once-slaves, and the world, to make the once-slave an enemy of his God and his own salvation -- by taking part with them against the aims and purpose of Allah (to set this so-called Negro in heaven while they live). America is mentioned in Isaiah 47:1 as a virgin daughter" of ancient Babylon's people and history. As we all know, America is the last, the greatest, the richest and most powerful people of the European white nations. But now she is falling and the prophet Isaiah says: "Come and sit down in the dust, humble yourself for you are no more called delicate."

THE FILTHY DISPLAY of white Christian American people, walking around half nude and sitting before their pastors in their churches with dresses half way to their thighs for the pastors to stare at their nude forms -- the pastors should be standing at the door telling such disgracefully dressed persons that he preaches the Word of God and that God warns us to be clean, both **INTERNALLY AND EXTERNALLY**, as well, and that we should not tempt the nations to do evil and filth. But the pastor opens his church doors and is happy to have them in rows sitting before his eyes, knowing that this is against the teachings of God and turning his house of God into the worship of filth and evil,. Can the church survive?

Can Christianity survive these days of DIVINE JUDGMENT against America? The Revelations say in a prophecy relating to America that she had in her a "hold for every foul spirit, and a cage of every unclean and hateful bird" (Revelations 18:2).

ALL HATEFUL PEOPLE have a haven in America. All filthy and unclean people have a high place in America. Though the scientist and scholars of the religion of Christianity know these words to be true, they desire yet to see the already made:blind,deaf, and dumb so-called Negro go to their doom with them. But they tempt the so-called Negro, since the scientist and scholars are evil by nature.The Holy Qur'an teaches that they only lead you to filth and evil. This is so perfectly manifested today in America among its people ruled by the white man.The very conscience of an individual knows that these things we see today,of evil , are not accepted by God.

THE DESIRE to marry and integrate among people whom God has made to be **HIS AND OUR** enemies is beyond one's imagination. Jeremiah 51:46 prophesies of violence in the midst of Babylon (a future Babylon) --- ruler against ruler. Is not this true in America today ? Her whole land (people) should be confounded" (Jeremiah 51:47). Is this not true of the America Government and people today? They are fast becoming confounded. "And all of her slain shall fall in the midst of her" (Jeremiah 51::47)

EVERY HOUR in the day and night people are being murdered and killed in America, throughout her cities and highways. Murdering and killing is the order of the today in America.It mentions that God used a destroying wind (Jeremiah 51:1) against those who opposed His Purpose and Aims. Is not it true that day and night somewhere in America there are destructive tornadoes and storms, destroying the property and lives of America?

AS GOD HAS SAID that He Laid a Snare for ancient Babylon (Jeremiah 50:24) and ancient Babylon was taken in that snare, so it is in America.Go to "sleep" to the reality of the judgment of America if you want to be caught in the snare; for America's judgment is a repetition of ancient Babylon's judgment. Long before America ever thought that she should repent of her evil done to her slaves; or reject repentance --- God hath set the snare to catch America.

AMERICA IS NOW in the same snare that God set for ancient Babylon. Will America repent that she should healed or shell she ignore it ? Babylon could have been heald, but

she was not.
