The Devils Incite the Hypocrites and Disbelievers

A HYPOCRITE is one who speaks that from his or her mouth what the heart does not agree with, or what is

not in the heart. As the Holy Qur-an (2: 8 10) says: "There are some people who say: We believe in Allah and the Last Day ; and they are not at all believers. They desire to deceive Allah and those who believe and they deceive only themselves, and realize it not."

A hypocrite is far more dangerous than your open enemy (the devil), for the hypocrite seeks to learn that about you which will hurt you with your enemies. They always hope evil for you. They claim brotherhood and friendship with you only to hurt you.

The true Muslims, my followers, are at the present time honeycombed with such rotten characters, of whom the believers must be aware of. They are now joined with the devils receiving bribes to destroy me and my followers and the Truth which Allah has revealed.

Do you think that you will successful in putting over this small-time evil murderous plan on Allah and His Apostle, and the true Muslims? Such plans, and the planner, were not successful in the days of Prophet Muhammad (may the peace and blessings of Allah be upon him), and they will not be successful in putting it over my Allah today. He it is whom I put my trust in, though I am willing to give my life for the freedom of my people from this merciless devil, their real open enemy.

MY LIFE, and the lives of my true followers are in the hands of Allah. It belongs to Him, for He has brought it with a price of suffering. On Him we rely. We will not raise our hands to do you harm, we are brothers and sisters by nature (same flesh and blood), so think before raising yours against us for the joy of the devils who are your enemies as well as ours.

I quote an other few verses of the same chapter when it is said to them: Believe as the others (Muslims) they say: Shall we believe as the fools believe? Nay, of a surety they are the fools, but they do not know. But when they are alone with the evil ones (the devils) they say: We are really with you, we are only mocking: Allah shall pay them back their mockery. He leaves them alone in their mockery, blindly wandering on."

FOR THEIR hypocrisy, the light of truth and guidance from Allah is taken from them and they think that they are being guided right when they are actually stumbling in the darkness of evil and ignorance. In another place the disbelievers are warned of their evil and proud attitude toward the Messenger of Allah in these words: "He said: (the proud disbelievers in the mission of the Messenger of Allah) --Tell me, is this he whom Thou has honored above me? If Thou wilt but respite

me to the Day of judgment, I will surely bring his descendants under my sway all but a few, and beguile whomsoever of them you can with your seductive voice, make assaults on them with cavalry and infantry; and mutually share with them wealth and children, and make promises to them. But Satan promises them nothing but to deceive" (Holy Qur-an 17:62,64).

The devils are playing this trick-knowledge on my people here today. You shall soon come to know that Allah is your best friend, and that the devils are your open enemies. They are sharing with you wealth and children only to make you sharers in hell fire with them and their doom.
