SOLOMON'S TEMPLE

This is the black man's place of worship, and not in white man's churches.

PROPHET FARD MOHAMMED IS OUR DELIVERER BY PROPHECY OF THE BIBLE AND QURAN

0 our People! Accept the divine Caller and believe in him, he will forgive you of your faults and protect you from a painful chastisement.

And whoever does not accept the divine Caller, (the Prophet of ALLAH) be shall not escape in the earth, and shall not have any help.

Quran (Al-Ahzab) Chap. XLVI. 31-32.

And I heard another voice from heaven, saying, come out of her (Christian churches) her works, that ye be not partakers of her sins and that ye receive not of her plagues.

Therefore, shall her (Christianism) plague come in one day (year), death and destruction, and famine: And she shall be utterly destroyed with fire: For strong is the Lord (ALLAH) who judgeth her. (The Christian churches.)

Rev. 18th Chap., 9th and 10th Ver.

If that reads this little Weekly Paper shall be made wise, but he who destroys it and what it says in foolish and will DIE IN HIS SINS!

BY: ELIJAH MOHAMMED.

Of Preachers, you foolish and blindfalled leaders -- how long will you turn a deaf ear to the warning call of ALLAH's Messenger and set up abominations (churches) that make deviation against the Holy of Holies! Know you not, Of Preachers, that you and your people are strangers in a strange land, and have been misled by strangers (white people) and these have caused you to despise and hate your own and love the Worship of the false (churches)?

These same strangers take your own wisdom of ALLAH and the knowledge of his Temple which Solomon, your own Black brother Moslem, gave you as a warning. They sell it to you after distilling and changing its name from Islam, Freedom, Justice and Equality to PRIEST MASONRY. But it is not Free Masonry here, it is Free "Baa" Masonry. They changed the name Moslem to Mason and none must be called Moslem under the Masonic law until he pays a great sum of money for the 33rd Degree. What would the price be for the 330th Degree, which is the whole Circle?

Now Solomon, a Moslem, learned much wisdom of Islam. He is mentioned in the Holy Quran as a great Apostle of ALLAH. He foresaw the ignorance of his first Brother of Asia and wrote the following words (which are not without the white transistor's poison, which he used to sly his taste):

THE PRAYER OF SOLOMON TO ALLAH FOR THE FORGIVENESS OF HIS LAST BROTHERS AND THEIR RETURN TO ISLAM AND ASIA, THEIR LAND.

"And if, thy (our) people Israel (of Islam) be put to the worse before the enemy, because they have shined against thee (because of ignorance) and shall return (to their own kind) and confess the name (which is ALLAH) and pray (the Moslem's prayer) and make supplication (earnestly confess) that Islam is the right religion and that there is no God but ALLAH, and his Prophet Fard Mohammed is his Prophet) before thee in this house (a Temple of Islam) then hear thou from the heavens (Holy City Meca) and forgive the sin of thy (our) people (Last Brother of Asia in America) and bring them (from the Lynchers of America) again unto the land which thou gave to them (to) and to their fathers (Asia for Asiatics). When the heavens are shut up, and there is no rain (when Profet Fard asked ALLAH to close up the clouds that it rain not, to convince the Last Brother that Allah is that)

(Continued on next page)
and he is his Prophet), because they have sinned against him (denied his warning call) and speak evil against him and his followers; yet if they pray [acknowledge the truth] toward this place (Holy City Mecca, or Temple of Allah) and confess their name (which is Allah) and turn from their sin (for the sake of Allah and his religion) then they will be justified when (we see the devil's religion and his Christian churches FOWLING in the FACE OF THE PROPHET AND DESTRUCTION SUCH AS DISEASES, REVOLUTIONS THAT FOLLOW) then hear them from heaven and foresee the sin of thy people, when thou hast taught them the good old way (Islam) wherein they should walk, which thou hast given unto the people (爭言 spiritual man in America for a guide) for an inheritance, if there be death in the land, if there be pestilence, if there be blushing at idle words or entanglements if their enemys besiege them in the Cities of their in ; whatsoever sore, or whatsoever sickness there be ; then what supplication shall be made for them. Kieran shall Milch them. A new magnifying glass has been greatly improved of the radius of water and gases which are called ATMOS. These are produced by the pull on the Earth of the Sun and Moon. The water is the real source of life and is put in nature by the Sun and Moon. It is fed by magnetism from the Moon and is thrown in space in continuous CURRENT WAVES by the ROTATION of the Earth which make a TERRIFIC speed of 1007 and 1/3 miles per hour around the Sun. This speed is caused by the attraction of the Sun.

Bible Condemns Spook.

Just why are so many people waiting for a spook to come some day and deliver them, when the BIBLE CONDEMNs such belief? It teaches that GOD is a person, one who has power and force. Jesus called him the SON of MAN. The same title is given by Prophet Elisha. Now if the LAST PROPHET is the SON of MAN, just how did the Prophets get the idea of teaching their followers to believe in a spook?

Prophet Fard Mohammed Brings Truth.

AGAIN Jesus said in these words: "When He (the Last Prophet) comes in Spirit (new life) of TRUTH is come, He will guide you into all truth." (He will teach the truth plainly).

SYMBOLICALLY, this is just what the PROPHET FARD MOHAMMED has done and the devil is angry with him for showing him opening to the world. He has not withheld any of the TRUTH from us.

"For he shall not speak of HIMSELF, but WHATSOEVER He shall hear, that shall He speak and He will show you things to come." Prophet FARD MOHAMMED came to North America teaching us of ALLAH and showing us things that will shortly come to pass upon this PRESENT WICKED GENERATION and not of himself. "He shall GLORIFY ME (shall praise Asia, his work and courage in trying to put ISLAM in the Jews before time) for he shall receive of mine (his own Black Nation) and shoot it unto you." (John 16: 13-14.) The Prophet will tell you the truth of all things and let the Jews and all the devil see their mistakes in not receiving Isla from Jesus when he was here two thousand years ago.

Prophet Fard Mohammed is the Consooler.

The 16th Chapter of St. John shows clearly that Jesus is not prophesying of himself. In the 7th verse of the same Chapter it speaks plainly in COMPARISON TO THE LAST PROPHET: "I will not be a comforter to the poor depresscd LOST BROTHER of Asia in America. A Consooler, to us because of our long years of wearing the YOKE OF HONDA, SUFFERING FROM RAGE, LYNCHING and ROBBERS. Jesus (Asia) calls this man lost Prophet MOHAMMED, and this is his NAME because his father is the DIANE. This is found in the HOLY QURAN of Asia's Prophecy of this last Prophet (AS-SAFE) LXXI 6, Ver. 7. The 6th verse of John, 16th Chapter, says: "When He is come, He will REVEAL the world of sin, and of RIGHTOUSNESS, and of JUDGMENT, of sin because they believe not in me."

This is FULFILLED now 100% by Prophet FARD MOHAMMED. The devils are reprieved and are angry. The PERSECUTOR the devils are reprieved and are angry and PERSECUTE the MESSAGERS of the truth because they reprieved them of lying to the people, of robbing, because they sell their own people to their ENEMIES (white politicians) yearly for a few uneasy dollars to satisfy THEIR OWN LUST; REGARDLESS of what the ENEMY does to their FOLLOWERS after he is put in office. So long as they live and are not for their people. They are RE-

PROVED of ADULTERY because the people to whom she is sold are evil and at the same time are GUILTY of the same offense among their fellow's WIVES and DAUGHTERS.

And they are reprobates of murder because they seek to destroy the PROPHET and all MORMONS for teaching the people the TRUTH.

REDUCE AND BE CURED OF YOUR ALIMENTS

By Reformer Burandia Sharriff

We Moderns of Detroit, and elsewhere, have learned through Prophet Fard Muhammad's teaching, that excess weight is the cause of pain in all kinds, such as rheumatisms, headaches, chillis, gout, toothaches, heartaches, broken hearts, etc. To avoid these things it is very essential for one to be his or her own right weight.

Now, the Modern Girls' Training and General Civilization Class, which is a Class set up by Prophet Fard Muhammad, for women and girls only, has a standard weight of 120 lbs, not over. The Faith of Islam, which is a Class exclusively for men, has a standard weight of 170 lbs, not under.

who weighs other than herself 200-300 pounds, points and pants; also at the same time robs and robs one of the fresh air. Notice the case similar to this one and see if this is not true. You become fat; the air you breathe is hot. Why? Because this 200-pound sister has robbed you of the fresh air, thus leaving it stale and lifeless. Therefore, you have been treated unjustly by this sister who is other than herself (fat).

Prophet Fard Taught Malmes Safe Way to Reduce

We have several sisters who when they first awakened to the knowledge of themselves weighed approximately 300 pounds, and during the last year have reduced, by living according to Prophet Fard Muhammad's teaching, approximately 120 pounds.

You may ask how did they lose weight so far, and why did not it make them sick? As you know, eating three and four times per day makes a person sick. Therefore, in reducing one must stop eating so often.

We Moderns go some times 48, 72, 96, and more hours without food, taking a hot bath daily, and plenty of exercise. This is good for us, because it helps the thinking faculties and also prolongs our lives.

Reducing by Prophet Fard Muhammad's teaching, there is a definite decrease in the way of life, health and happiness.

We Were Once All Beautiful

My dear brothers and sisters, you have not always been overweight and without shape. When we were still and brought over here 375 years ago into North America, and endured, we were not shapeless, large awkward people. We were the highly esteemed intelligent people. The ones who were known for their fineness in all things. We had perfect forms. In other words, we were beautiful original peoples. But now, and through whom did we become so badly disfigured and deformed?

Devil Caused Us to be Disfigured

It was caused by the devil (white man). The one you are worshipping today as your God. Just to prove his love for us, he disfigured us from our original selves, so we can no longer imagine. How can you love such a man as he? Awake and think my people. Did he teach our mothers of yesterday and also of today how to form and take care of their young ones? Not! But he taught his own kind. He wanted, and still wants us, to this very day, to grow like a potato or something that is big and shapeless. By doing so, we grew up like seed, which were thrown aside that grew without any cultivation; thus, we be

came shapeless, large, ugly, and further from ourselves daily. But thank be to Allah, through his Prophet Fard Muhammad, that the time has come for the American of North America to claim their once lost belongings. Take this in, my people, and see if this is not true of you and me today.

"Dangersomeness of Overweight"

THE PSYCHOLOGICAL VALUES OF ISLAM

By KHALIL MOHAMMED

Head Investigator.

When a person accepts Islam his entire mental outlook is changed. This change of mind naturally causes changes in his behavior. I am going to point out some of the psychological effects of the acceptance of Islam's teachings on our minds here.

White is Evil

The very first thing that Islam does for the Original man is to teach him that the Black People are the CREAM of the Universe. That all things in existence belong to him. He learns how ignorant he was in believing that Black is evil. Islam teaches him that the white man is the devil soul who tries to make you believe that you should do evil to black, and about more.

Overweight Person Is Unjust

We Moderns believe in Freedom, Justice and Equality in all things regardless of whether they are great or small. Now, a person who is normal, breathes 3 cubic feet of air per hour. All persons, fat persons breathe more than the normal amount of air per hour, and this person, in other words, is robbing you of the atmosphere or air.

Just to prove to you that Prophet Fard Muhammad is right, take for instance this picture. You are sitting beside a real overweight person (fat person). Notice here fact that person breathes and you will see that he or she breathes much faster than you do. Therefore, that person asks you to help him breath more. He is the more the bigger the more is applied in the case above. An overweight or fat person breathes more, eats more, takes more room, and in other words, is a complete nuisance to the normal one.

Another picture. For instance, you, a person weighing 118 pounds, and a large sister weighing 280 pounds, have walked home from a sale four blocks away. You sit down and perhaps draw a long breath and begin breathing normally again, but this sister
EDITORIAL

The writer of this column will introduce himself to you and tell how he came to know Islam: ...

He was reared in Greenville, Texas. He graduated from high school there in 1912. In 1921 he received his B.A. degree from Fisk University at Nashville, Tenn. He taught school for four years, immediately thereafter, being

transferred to the University of Chicago, where he received his M.A. degree in Journalism in 1924. He is a member of the Detroit Bar Association, Wolverine Bar Association and Omega Psi Phi fraternity. His name is John Bob Shuck.

Educated but is Ignorant of Himself

He could not write all the schools mentioned in the above paragraph because they did not teach him of his own Islam. He now sees that he wasted time and money learning about the non-Islamic civilization. He now regrets that he never had the chance to converse with a Moslem.

In the course of the conversation the Moslem told him that all Asians and especially Japan was behind the Moslems. This was the best news he had ever heard in his life. He did not waste any time arguing about a speak. What interested him was that at last the black man in America could get powerful backing.

He thereafter became a constant visitor of the Temple of Islam. After he had heard from the minister of the power and virtue of Islam he sought to find out how it worked.

Papers and Preachers Wrong About Moslems

He, therefore, visited homes of Moslems and became acquainted with them and their ways. He found that what the papers and the preachers were saying about the Moslems were just plain lies. He saw the cleaned homes he had ever been in. He discovered an area of complete harmony thereinafter. For the first time he saw real brotherhood have evidenced. He has yet to hear a Moslem speak a cross word to another Moslem. But the most pleasant part of Moslem hospitality was the dinner hour. The delicious food set before him was the most paintable he had ever eaten. In short he found the Moslems living a righteous life.

By this time he was convinced that Islam was right. (He had already been convinced that Christianity was wrong.) His scientific training took the speech, and he wholeheartedly, absolutely and irreversibly accepted Islam.

He wants you to know that he has been most happy since he had his eyes opened. He has never gotten along better in his life. He is now urging you to follow his example because he knows Islam is right.

THE DANGEROUSNESS OF OVERWEIGHT

By REFORMER HORNSTEIN SHARIF

The problem of overweight is studied in the Modern Girls' Training and General Civilization Class, which is, as I told you last week, a class set up by Prophet Paul Fernando. We learned that most of the bodily ailments are directly or indirectly traceable to overweight. It is an exaggeration to say that overweight causes many cases to be inexcusable young. There are some overweight persons who are very happy and who have more energy than the normal. In fact, overweight persons have a better heart than the normal. The normal action of the muscles of the heart is being embarrassed by the presence of fatty tissue. You should not try to lose weight because it is not a pretty sight to perform any way; remember, it must be continuously from the moment of birth to the end. Then why do you burden it with unnecessary fat?

Do you have terrible headaches and dizzy spells? If you do you may suspect that you have high blood pressure, a condition caused by over eating of foods rich in protein, such as fresh meats and eggs. When you develop high blood pressure you may be sore that you have just about eaten yourself to death. You must put the supreme penalty for living other than yourself.

There are many other disadvantages, for example, cancer and Bright's disease, which seem to follow the overweight and eventually overtake them. Of course, you know that the fat person does not have such a good chance of recovering from pneumonia. Also in passing, it may be well to drop the hint that the overweight sister loses the right and privilege of motherhood at a much younger age than her more slender friend.

In closing it should be said that the overweight person is not only physically inactive but also mentally slow. The Moslem knows that the best person is the good-natured individual who does not care to be disturbed. She does not care to exercise her mental faculties. She would rather sleep. Her whole system is poisoned and her brain cells cannot function properly.

BLACK MAN FATHER OF ALL HUMANITY

A WARNING TO THE BLACK MAN OF AMERICA

Chapter II.

BY ELIJAH MOHAMMED

Minister of Islam in North America

Let us rejoice and be exceedingly glad for our day of deliverance is come: no longer are we in the bondage of ignorance of that which we originally possessed. The dead are rising, the sick are being healed, yes, the blind are seeing, the deaf are hearing and the prisoners are being freed, because our SAVIOUR is in the midst of us and is doing great things. He will make everyone that hates him and disregards his call envious that he is God. He is our salvation. Fear you not, oh my people, and be not ashamed, for your former sins are forgiven. Only return unto your own kind and acknowledge him (Pirith Mohammed) who has power to deliver us from our enemy and give us back the religion of our fathers and the Holy Prophets. Come unto him and receive your HOLY NAMES and lay aside the names that the devil forced upon our poor forefathers, whom he held in slavery for 400 years.

Do you count as nothing the blood of our poor brothers upon the hands of white (devil) tyrants? Be you ashamed, oh, my people — How, oh how, under the Divine Law, can you smile in the face of him (white devil) who is killing your sons and daughters day and night! Oh! My sisters, how can you smile in the devil's face when you know he desires to see you and your beautiful daughters made prostitutes and diseased creatures, before the nations. Do you love his perishable dollar more than the lives of your sons and daughters?

Come out from them (devils) and get on to your own kind, or die, for the time has come. Your King is here to deliver us — everyone that has ASHATIC BLOOD, GET ON TO YOUR KIND.

Most Prophets of Fard Mohammed

Ever since the time of the prophecy of Moses, the eyes of the whole civilized world have looked for the coming of the prophet which he predicted would come after him. He said one would come like him and whom the people must obey (Deut., 18:15-18). One who would set up justice and free the oppressed, and deliver the poor (Black Man of his enemy.) The Jews thought when David came to the throne of Israel that he was that Deliverer Moses spoke of. They also

(Continued on next page)
Thought that Solomon was the one only to be disappeared. Two thousand years elapsed after the time of Moses and no King came and set up justice (Righteousness) in the land.

However, all of a sudden the news spread abroad that the man Moses had prophesied and wrote of was born in Bethlehem of Judah. But upon the death of Jesus (Assin) the Jews were disappointed again. Because they heard Jesus was the one prophesied in a nanopting Prophet who would come after him. And that Prophet would deliver everyone that HAD HIS NAME (ASIANI HOLY NAME) written in the Book of Life (The Black Nation).

The whole seventeen millions in North America of Asiatic origin believed Jesus (Assin) fulfilled Moses' prophecy and that this man named Jesus (Assin) who was murdered on the streets of Jerusalem two thousand years ago will arise and come back in the form of a spirit (Jesus) and save those who believe in the Christian Religion (Jesus' religion) and even save the devil himself! How far my people are from understanding this.

The Bible is Diffused

Therefore, when our enemies understood that the necessity for us, they drew every one of the translators of the Bible as it was then in your image. They finally got a bunch of wicked translators and thinned them down out some of the truth and added lies to support parts of it. And that part which they did publish was written in Symbolic words. So obscure in the truth in their version. Bible that it took no less than fifty-five years of the best brother of Asia to unfold its contents. But glory to Prophet Paul Mohamed, our Redeemer, whom Allah (God) sent and made the hidden truth plain to us, that we may teach it to our brothers who are blind in it and are living in the darkness of the North America. In this day and age all may know the truth today and flee for their lives to their kind. Messed be the Holy Prophet, who has power to close the book of the comfort, that it rain not and bring fire from the sun which searches men and drives in their midst. This is the day of his call to the Lost Brothers of Islam he is telling them that there is no God but Allah and that he is the Prophet dwelling in the midst of them.

He will show us how utterly ignorant we are in matters to a Christian God that does not exist. Allah has control over the rain and everything that exists or comes forth of the Universe. Glorify be Allah for these is the praise; there is no God but Thou and Paul Mohamed is thy Prophet.

What is the matter with you, my people, that you cannot see the building near your doors? Yes, a cry and a groan is coming from everyone that witnesses Christianity. But look at the Hebrews, there is right with Allah and is happy that he heeded the warning call of his Messenger (Prophet Paul Mohamed) and Moses (Assin) said the lost Prophet whom the world must be would be, like him, Moses was Half and Half, up is Prophet Paul Mohamed. It is further said in the Prophets that thou wilt be led by the serpent (Jesus) in the Wilderness of Europe, to shall the son of man (Devil) in the Wilder-nesses of America as the Prophet Paul Mohamed. This Prophets clearly shows that as the devils had gone savage and were living in the caves of Europe in the days of the Old Testament and likewise as Moses had to civilized these Jews (devils) he also formed the same job on the shoulders of Prophet Paul Mohamed. He saw that today Prophet Paul Mohamed would have to civilized us here back to the knowledge of our own religion and our religion, and that the devils deprived us of 370 years ago.

Jesus, Prophet of Fard Mohamed

Be no means did Jesus (Assin) fulfill the Prophet because Jesus was not mixed with any Franklin-ism. Jesus and Joseph were in every respect real Black Messiah. Moreover, the people did not obey Jesus' call and he acknowledged that it was not the time they were to be devils righteous. However everyone who was of a race of Africans would be successful in anything. We, as a people, know that Jesus (Assin) was not sent to teach the black man. He was sent to the white man and that at that time the Jews had become and humble of Allah. They had fallen away from the teachings of the Holy Qur'an, which was given them by Moses, and recognized that the name Jesus, which was given to the forerunner, was a symbol of Christianity, of a righteous brother who was left from the field. This applies directly to us in America, because we are the descendants of the Israelites, who were brought from Pharaoh and sold into slavery, and then the people who made slaves of us that the Moslems (Asians) in the East beyond Africa were our brothers and that our first parents who were brought from here were from the Nile in Egypt. No, they taught us as we were from the jungles of Africa, and that all of our people lived there. The Africans who were brought from the jungles of Africa, which is called the Juggles of East Asia by All Moslems. This teaching of African to us is what we think we were all brought here and that they did a...

(Continued on next page)
favor by pumping their wicked civilization in us. Again, the prejudice of Africa was gained so that when we desired to go to our land—Africa would be the place we would want to go to. They knew that if we left when we got to
we would not like to live there (Jungles of Africa—to be accurate, Jungles of Asia) and would desire to return.

This misinformation has grown up in all the Old Friends Brokers here—American who have a desire to go to
Africa (Jungles of Asia). Why does the white man like to go to an
Egypt Arab, Persian, Yemen, or
Afghanistan? No, he knows that if you want East you would learn who you were. Today even the Preachers have not the knowledge of where to seek the truth, when his Bible tells him that wisdom and the truth are found in the East among his brother Moslems. But does the Preacher go East and get that wisdom and learn whether the white man lied to him or not before
forgering his plans? You expect the devils who enslaved you and were still after you now, to teach you the truth? The reason why the
Preachers hate their brother Muslins
in the East today and are working hand in hand with our enemies is because they are foolish and dumb to the knowledge of your own government. Who
have they told the Preachers are going to carry their followers to? No Christians have any Holy City, the sole Holy City is owned by Muslims and that is Mecca. Even Jerusalem, which the Preachers call the Holy City, belongs to Muslims. So where are they leading to? Nowhere but to hell!

(A to be continued)

A NEW VIEW WITH NEW EYES

By A READER.

When an Original man here in
America has the evil of ignorance removed from his eyes he sees everything in a different light. For the first time he sees himself the Cream of the Universe, the god and sole owner of the Planet Earth. He sees that he is the cream of the Earth as the devil would have him believe. He likewise sees that practically everything he once did was not quite right. He is amazed at his former conduct. But the thing that puzzles him most is how he could love the devil.

For example, he used to go to Navin Field and yell like hell for or against the
Tigers. If he was not able to go to the ball park he would listen at the
game over the radio. And especially did he enjoy congregating with his
Original brothers on some street corner and discuss and debate the merits or demerits of the Tigers and their opponents.

Since he has awakened to the knowledge of himself, he does not give a
dream about the Tigers or any of their colleagues. He sees the situation in its true aspect.

He now sees that the team is composed for the most part of men but
from Lynchburg's Paradise. A place
where the principal sport is lynching
Black Christians. When he sees their faces he is instantly reminded of the barbarous acts of savagery that they and their kind have inflicted and are still inflicting upon him and his own flesh and blood.

He cannot but think of the place
(Lynchburg's Paradise)—the place
where most of the big league ball
players come from. He could not
enjoy seeing them play for thinking of what they are doing from there. He knows that his Original sisters cannot escape the hateful passions of the white heads, who prey upon them with impunity. He knows that the devils can violate the most sacred blessing incident to wellbirth and then terrify the victim into silence. Yet, silence, because
of the fear of the wife to tell her husband of what transpired because she knows that the affair will end up in a lynching or maybe a wholesale massacre.

He cannot but remember the
courage of Original man could love any name the white man plays. He now sees him as a beast of prey ready to pounce upon him and tear to pieces and lick up his innocent blood.

And truly, he cannot see how he had any enthusiasm for a ball team that is
so damn round to play ball with his
Original brothers, any number of whom can play bigger around the
tigers! And he says, to hell with the
Tigers, now and for all time. His sincere wish and desire is that you will say likewise.

EDITORIAL.

Some months ago the Egyptian Moslems staged one of the most pompous receptions of modern times. The
occasion was the welcoming to Egypt of six Black Moslems who had caused fear in the United States. The splendor and magnificence of their exhibition of
good will and brotherly love aroused the curiosity of Pierre Crabbe, a white Christian from the United
States (presumably from the Southern
part thereof), who happened to be
in Egypt at the same time. So he
inquired as to the cause of such a grand celebration. He
was shocked with surprise to learn that six
Black men from the cotton fields of
the Southern part of the United States
were being feted as kings by the
Egyptians because they were Moslems. He
was informed that the Black man
was the Cream of the Universe, the
god and sole owner of the Planet
Earth.

He learned then and there that all
Moslems are upon the same equality. He could see that they were brothers and at home anywhere in the Moslem
world. He tried to give an account of the geopolitical event but his eyes were made
incredulous by the events which he wrote about. By reading between the lines and magnifying details he
arrived at some conclusion of the truth.

Christian Names Quickly Abolished

He was to receive another shock.

The next day the six Black Moslems from the United States appeared before the Governor and were received
as brothers by him. They had their
names officially recorded as channel
from Christian ones to Moslem names.

When the Governor made his report, The first part dealt with the rapid spread of Islam in America. They told of the large numbers of Black Americans who were beginning to see the light. They told of the activity of Moslems in Detroit, Chicago, and other cities. Their Egyptian brothers went wild with excitement and their joy was beyond expression. But the next day of their Chicago trip was not as cheery.

White Christians Exposed

We know that his surprise turned to
fear when the six Moslems from
America began to relate the kind of
reception of such a reception with the
deep that is dealt us by the
deal. They told how the Christian
brothers lament and thirst after the
righteous blood of the Blacks. They
told how when the devils were in their church they burned Negro back upon the
public square. They told how the
white Christians rape black women. They told how the negroes and black men were killed by the negroes and inhuman deeds of the devil.

Upon hearing of these things their
brother Egyptians were very, very
angry and they made a most solemn
pledge to help their brothers in
America. Ask a Moslem about it.

Crabbe was very much alarmed
over the whole matter and the purpose
of his story was to let the devils in
America know that a new era is dawning. A day of reckoning. A day when
Islam will awake every Black in
America. It's 'shudders at the conse-
quence' in store for America.

More Moslems To Go East

But he has not seen anything yet. He
should be present when the eight
Black Moslems from the United States
make their report this year. They will
go in pairs. From two to two to
(Continued on next page)
Turkey, two to Afghanistan, and two will go to Japan. They will tell of the rapid spread of Islam in the United States during the last twelve months and will also tell in detail about the lynching, burning and raping of Blacks, which still goes on in America. And our brother Muslins in the East will be still angrier. There is no limit to all things.

GET YOUR REAL NAME

If you know how to read between lines, you saw in the paper (Hearst's) an article by Brisbane, which tells you that you do not have your real name. Brisbane is white and, of course, we can expect nothing one hundred per cent from him. We have to fix his article up a little so we can get the truth.

With the addition of the word BLACK, the elimination of the word "HUNDRED" and the substitution of the word THEM for "US" and the words IN AMERICA for "ON EARTH," we have a story that fits our case.

"A 'black' girl in San Francisco puzzles authorities because she cannot remember her name or tell whence she came. There are 'in America' about sixteen million like her. Not one of 'them' knows where he came from originally, or what his name was before he landed here. The real name of Tommy Smith is something else. He was not Tommy Smith before he landed here, and he will not be Tommy Smith after he leaves. You could hardly imagine an angel named Tommy Smith."

Black Man Robbed of Real Name

Now we were robbed of our real names by the white man when he enslaved us. It is quite true that we had no such names as Tommy Smith when we landed here. We had righteous names, such as Mohammed, Ali, Karrien, Roy and the like. Do not these sound better to you than Brown, Gatt?

"Hogg or Woodpecker? An angel (messenger) from Heaven (Mecca) could not have the name of Tommy Brown because anyone with a Christian name cannot get within fifty square miles of the Holy City Mecca in Arabia. Now do you see at least one reason why, we must get our real names and drop our slave names?

the idea in his mind of how to take an original man and woman and graft a white (devil) to torment the original Nation. He is known in the Bible as Adam the first man. In order to carry out the experiment, Mr. Yavneh, together with 35,000 others were exiled to the Isle of Patmos (Elders name Patmos, Rev. 1:4). While these words were spoken in Genesis 12, “And God said let us make men in our own image, after our likeness,” it was Mr. Yavneh teaching his exiled followers.

White Man Grafted

The first white people as grafted as a result of the experimental work of Mr. Yavneh were Adam and Eve—just 6,020 years ago. Thus you see that although Adam and Eve were the first white persons they were not the first on Earth.

But Mr. Yavneh repeated that he ever made their devil as is stated in Genesis 3, “And it repeated the Lord that he had made man (devil) on the day which he gave him at his heart.” We are told by Prophet Farid, that in the year 8,101 B.C., 5,000,000,000 original people inhabited the Planet Earth. The population declined 200,000,000 from 8,101 B.C. to 3,000 B.C. The population of the world today is 4,000,000,000 people. The devil is responsible for this decline, 1/3 of all of the original millions and millions, both of which are harmful to the physical body when eaten often.

Constitution is both the mother and father of practically every disease known to mankind. The very first thing a doctor inquires of is the regularity of digestion. Constitution leads to chronic constipation, and during its several stages all kinds of diseases take hold on a person.

Who is the Father of Poor Quality?

White floor is the father of the best and essential parts, and there is only left the starchy kernel of the grain. There are times that large bags that hold the substance out of the grain, and after grinding the flour is so hot that it will burn one’s hand to handle it. There was once a time when wheats were sometimes seen in the grocer’s flour barrel. Nowadays they are seldom found in those insects because of the low heat value of the denatured product. Why should an intelligent person eat what an insect would not eat?

To open the eyes of the mind.

If this god that you have been calling yourselves saving has been so merciful, why did he let your mothers die when they were babies, knowing that you could not be properly cared for? Why does he cause innocent men to serve the penalties for crimes they did not commit? Why does this god, who you serve and your children go hungry and naked?

Oh, my people, I mean the Asiatic black Nation, the only Nation of the universe that grants your own land, and leads the righteous life of a Moslem, so that you may be able to enter the gates of the Holy City, Mecca, in Arabia. Let your eyes be opened and your ears unstoppered—we who you are and hear the truth that has been brought by the Prophet, Master W. D. Ford.

For he is the one that was predicted to come.

Let us consult the whole read histories of America and of Europe.

We find that the first telephone was known to the white men in 1861. But, my friends, this is not the beginning of distant communication. Your brother, Asin, whom you call Jesus, was able to receive messages from long distances without wires. How do you know this? He knew just when to run when he was delivering about in Herod’s Government. Every Asiatic Scientist, or Moslem at the very first hour of his study is equipped with Wisdom in his head and he can receive messages anywhere on the Earth Planet. In fact, the radio, telegraph, as well as all known inventions, come from the original man’s mind, which first appeared as a thought.

The man of the black man’s first modern needle in 1513. If that is the first known sewing needle, he has but a few days ago learned how to weave clothes. In other words, 1513 from 1554 leaves 389, which means he was almost made a few days ago. It is called Nadir today.

Think of this, he had just learned that a horse could be used to draw a scythe. 1500 to 365 days ago. He discovered this in England. But this invaluable invention that should be so useful in the world? Do you know that you can not live on any Planet but the one you are on, even after you die, your last breath you breathe does not go any further than this Earth or Moon? Yes...
